Annexure IV

Central Ayurveda Research Institute (CARI), New Delhi

Laboratory

The Laboratory of the Central Ayurveda Research Institute (CARI), New Delhi, is a well-equipped diagnostic laboratory providing essential laboratory investigation facilities to the Institute's patients.

The laboratory is equipped with a **fully automated hematology analyser** and a **fully automated biochemistry analyser**, enabling the performance of a wide range of routine investigations in-house. Routine investigations are carried out for both **OPD and IPD patients**. Investigations required under various research projects are also undertaken in-house wherever facilities are available.

For investigations that are not available within the laboratory, the Institute has a **standing MOU with an external laboratory** for outsourcing of necessary investigations, thereby ensuring continuity and comprehensive diagnostic support to patients.

The laboratory follows the prescribed **CGHS rates** for its investigations and has been committed to maintaining quality and reliability in laboratory services. BPL patients are treated for free. The laboratory received **NABL M(E)LT accreditation on 12th March, 2023** and is now working towards applying for **NABL accreditation as per ISO 15189:2022**, with the objective of further strengthening its quality management system and technical competence.
